BUCCANEER BLENDS™ BBQ SAUCES ADD A KICK TO FOOTBALL FESTIVITIES THIS SEASON

Get your tailgating party kicked off this season with new flavors from Buccaneer Blends™

(Auburn, ME – August 25, 2008) As summer winds to a close, sports fans everywhere have one thing on their minds - FOOTBALL! But what is football season without tailgating? And what is tailgating without BBQ sauce?! Buccaneer Blends™ - a new BBQ sauce line from World Harbors™ - is the perfect companion to any tailgating party this year, making it even easier, healthier, and more delicious to entertain.....without leaving your spot at the game!

Designed to capture the sense of taste and adventure of the original Buccaneers, who were among the first BBQers to grill beef and pork, the sauces embody the many distinct and tasty regional flavors from the Caribbean and North America that will complement any meat, grilled fruit or vegetables. The line features five unique BBQ sauces and two distinctive Steak sauces:

- Sticky Rum BBQ Sauce is a one-of-a-kind, sweet taste of brown sugar, allspice and rum;
- Apple Maple BBQ Sauce features the crisp and distinctive classic New England flavors of apples and maple together in a sauce perfect for any meat;
- Fra Diavlo BBQ Sauce 'fires the grill and warms the soul' with a full-bodied and spirited combination of five spicy peppers;
- Honey Mango BBQ Sauce brings the tropical flavor of the Caribbean to the table with delicious mango, tangy ginger and sweet honey;
- Mesquite BBQ Sauce takes you to the Deep South with its rich and smoky outdoor BBQ flavor;
- Pirate's Original Steak Sauce is a blend of red ripe tomatoes and sweet fruity raisins combined with the tartness of oranges, limes and tamarind; and Swashbucklin' Spicy Steak Sauce blends the same savory ingredients as Pirate's Original, with a variety of pungent hot peppers, including chipotle and ancho.
